

Please read this NOTE and check class schedule below.

NOTE:

- All CS and EE students are required to bring their laptop when they attend classes on campus.
- (C) On campus course: Students attend class on campus in person.
- (I) Intensive Course: Mandatory for students to submit an employment letter towards full or part time CPT.
- (O) Simulcast Course: It is broadcast simultaneously as there are students on site in the classroom while other students are simultaneously watching and participating at the same time on their computers.
- (P) Practical training course: Courses involve real life and hands on experiences. Students are required to submit an employment letter.
- Each course must have a minimum of 8 students in the class in order to keep the course open.
- Students can use Conference Room (TBA) to meet with professor and discuss how to do the assignment. Specially, students who take the Master thesis, Design Project, or Master Project can make an appointment with their professor and meet in Conference Room (TBA).
- Students can take one internship course and any P class in each term. To register for the internship or P class they must submit a copy of an offer of employment from their company to the Registrar's Office. Students should be advised that Internship does not count as part of the elective courses required for graduation. It is intended to allow students to have a real life experience and is a simple P/NP course.
- Students should be advised that PCE and PCB do not count as part of the elective courses required for graduation. It is intended to allow students to have a real life experience and is a simple P/NP course.
- TBA = To Be Assign
